- _____ Disposable products (no dishwasher)
- _____ Other (Describe) _____

All requests must be submitted a minimum of 2 weeks prior to the Council meeting.
It is advisable that the Owner attend the Council meeting if Town Engineer has recommended approval.

Owner's Acknowledgement:

I understand that if there are any changes in the conditions (menu, cleanup, ownership, etc.) for which this variance was granted, I may be required by Braselton Water and Wastewater Department to upgrade the grease trap allowed under this variance to current Town grease trap/interceptor standards. I also understand that the grease trap must be maintained so that no grease will enter the sanitary sewer system. Proof of maintenance is required.

FAILURE TO MAINTAIN GREASE TRAPS MAY RESULT IN ADMINISTRATIVE, CIVIL AND/OR CRIMINAL PENALTIES.
