**Services Applied For (check all that apply):** Water  Sewer  Reuse  **Transfer to Reuse**

Note: An application for reuse water service requires the execution of a separate agreement that must be attached to this application. If you are applying ONLY to have your existing irrigation meter transferred to our reuse system, you only need to fill out the highlighted areas of this application, and read and sign the attached agreement.

A deposit is required for service. Deposit amounts can be paid via cash, check, or money order or can be included on the first month's bill. The Town reserves the right to collect any outstanding utility bills owed to the Town by the applicant and payment of the deposit before the new service is established. Applicants with Town accounts in good standing may have their existing deposit(s) transferred.
