Does  
 this  
 look  
 a  
 safe  
 route  
 to  
 school?

**It's Not.**  
 We Plan to Change That.

The City of Hoschton, the Town of Braselton, West Jackson Primary School and West Jackson Intermediate School have joined to pursue *Safe Routes to School* grant funding.

*Safe Routes to School* is a national program to improve the health and well-being of children

by enabling them to walk and bicycle to school, and to local gathering places, such as public parks and libraries.

Additionally, grant funded projects will improve safety, reduce traffic and reduce air pollution in areas surrounding the schools—providing benefit to the whole community.
